

RESOLUTION OF THE
 WHITE MOUNTAIN APACHE TRIBE OF THE
 FORT APACHE INDIAN RESERVATION

WHEREAS, the White Mountain Apache Tribe entered into an attorney's contract with Barry DeRose on or about the 9th day of August, 1956 for a period of two years, and

WHEREAS, when the contract was executed the Tribal Council did not anticipate that it would prevail upon the Tribal Attorney to assist the Tribe in developing not only its natural resources but also its human resources, and

WHEREAS, the Tribal Council was of the opinion that the Tribal Attorney would spend approximately three or four days a month on tribal business, and

WHEREAS, the Tribal Council, subsequent to the attorney's contract, realized that it was demanding of the Tribal Attorney from fifteen to twenty days a month of the Tribal Attorney's time, and

WHEREAS, after the execution of the said contract through close association with the Tribal Council and our people and in fighting to protect our rights the Tribal Attorney has acquired a deep insight into the Indians' problems and places their welfare above all others, and

WHEREAS, because of the above facts the Tribal Council on its own initiative by Resolution No. 57-45 amended the attorney's contract and to increase his salary to eight hundred dollars (\$800.00) per month, and

WHEREAS, the Commissioner of Indian Affairs has requested additional reasons for increasing said salary.

NOW THEREFORE BE IT RESOLVED by the Tribal Council of the White Mountain Apache Tribe that the Commissioner of Indian Affairs take cognizance of the fact that Barry DeRose, Tribal Attorney for the White Mountain Apache Tribe is not being paid a salary commensurate with the time and type of services he is rendering to the White Mountain Apache Tribe.

BE IT FURTHER RESOLVED that the Tribal Council reaffirms its Resolution No. 57-45 and requests the Commissioner of Indian Affairs to approve the amendment to the attorney's contract heretofore submitted.

BE IT FURTHER RESOLVED that the attached memorandum entitled "Additional Information and Justification To Substantiate An Increase In Compensation", which memorandum does not, however, state all of the services the Tribal Attorney has rendered to the Tribe. The attached to this resolution shall be made a part thereof.

The foregoing resolution was on February 27, 1958 duly adopted by a vote of 8 for and 0 against by the Tribal Council of the White Mountain Apache Tribe pursuant to authority vested in it by Article VI, Section 1 (b) of the Constitution and By-Laws of the Tribe, ratified by the Tribe on August 15, 1938 and approved by the Secretary of the Interior on August 26, 1938 pursuant to Section 16 of the Act of June 18, 1934 (48 Stat. 984).
