

RESOLUTION OF THE
WHITE MOUNTAIN APACHE TRIBE OF THE
FORT APACHE INDIAN RESERVATION

WHEREAS, the Tribal Council of the White Mountain Apache Tribe is aware that the current practices for tribal members to obtain approval of homesite assignments in unsurveyed range areas includes the approval of the District Livestock Board, and

WHEREAS, the North Fork Livestock Board requests the Tribal Council relieve it of such responsibility and that designation of homesite land assignment be done by a complete survey within the unassigned areas south of Mrs. Delta Brewer's residence along Highway 73, and

WHEREAS, the North Fork Livestock Board further requests that the Tribal Council required a continuous easement, wide enough between the Highway Right-of-Way fence and private homesite fences, for the purpose of allowing livestock to be driven through such area, as needed, and

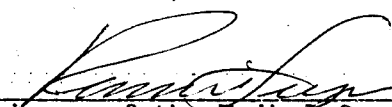

WHEREAS, the Tribal Council has considered these requests and finds them to be reasonable and in the best interest of the residents and livestock association so affected.

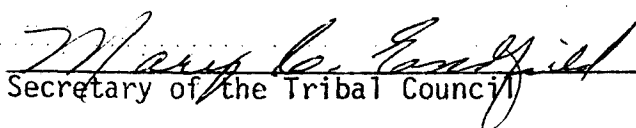

BE IT RESOLVED by the Tribal Council of the White Mountain Apache Tribe that it hereby directs that the proposed housing development on land assignments in the North Fork District, south of Delta Brewer's residence, and along the Highway 73, be undertaken by a survey of reangelands within such area and upon authorization of the Tribal Council, without the prior determination of the North Fork Livestock Board.

BE IT FURTHER RESOLVED that the Tribal Council directs that an easement is hereby give to the North Fork Livestock Association between the Highway Right-of-Way fences and individual homesite fences, for the purpose of a livestock driveway, as needed.

BE IT FURTHER RESOLVED that individual homeowners affected by this decision shall be notified in advance that fencing up to the Highway Right-of-Way fence across this easement is hereby prohibited.
