

RESOLUTION OF THE
WHITE MOUNTAIN APACHE TRIBE OF THE
FORT APACHE INDIAN RESERVATION

WHEREAS, Justin Williams, Manager of the Cooperative Tribal Farm Program, has come before and advised the Tribal Council of the inadequacy of his present building and premises to conduct maintenance, repair and office work associated with the Farm Coop. Enterprise, and

WHEREAS, Mr. Williams has requested that the Tribal Council grant him permission to move his enterprise operation to an area between the Municipal Police Building and the Land Operations compound where there are one or more vacant buildings, which although in a dilapidated condition, can temporarily provide space and protection for his equipment and employees until permanent quarters are made available, and

WHEREAS, Mr. Williams further requested that the Tribal Council give consideration to providing him with funding for the construction of adequate facilities for the maintenance and repair of the tractors and other machinery utilized by the Farm Coop. Enterprise, and

WHEREAS, the Tribal Council advises Mr. Williams that he should prepare a detailed budget and proposal of his needs and that any consideration of the Tribal Council for funding is wholly contingent upon the availability of tribal funds for that purpose, but that in the interim, Mr. Williams is granted permission to move his Coop. Enterprise operation from its present location to one of his choice between the Municipal Police Building and the Land Operations compound.

BE IT RESOLVED by the Tribal Council of the White Mountain Apache Tribe that it hereby grants the request of Justin Williams, Manager of the Coop.
