

RESOLUTION OF THE  
WHITE MOUNTAIN APACHE TRIBE OF THE  
FORT APACHE INDIAN RESERVATION

WHEREAS, the General Manager for the White Mountain Apache Utility Enterprise has presented a proposed budget for FY 86/87 for Tribal Council review; and

WHEREAS, the proposed budget includes a rate increase which is required by the Environmental Protection Agency, the funding agency which provided the grant to the Tribe for the Whiteriver Sewer System; and

WHEREAS, non-compliance with the Environmental Protection Agency requirement for a rate increase will jeopardize tribal funding for said sewer projects; and

WHEREAS, the cost operation and maintenance of the Utility System requires further that rates be increased for the benefit of the people of the White Mountain Apache Tribe and to insure that adequate water and sewer services be maintained for the people; and

WHEREAS, the Tribal Council concludes that the implementation of the rate increase should be explained to the people by the Utility Authority in coordination with the Indian Health Service Environmental Division.

BE IT RESOLVED by the Tribal Council of the White Mountain Apache Tribe that it hereby approves the proposed White Mountain Apache Utility Enterprise Budget for FY 86/87 as attached hereto and incorporated by reference herein.

BE IT FURTHER RESOLVED by the Tribal Council that it hereby directs the Utility Authority General Manager to coordinate with the Indian Health Service Environmental Department for the purpose of drafting a public presentation for media distribution explaining the necessary and legal requirement for the Utility water and sewer rate increase for FY 86/87.
