

RESOLUTION OF THE
WHITE MOUNTAIN APACHE TRIBE OF THE
FORT APACHE INDIAN RESERVATION

WHEREAS, the Tribal Council is advised by Council Member Kino Torino that there is a great need for construction of a sewer system to connect scattered homes and proposed new housing construction in the communities of East Fork, Turkey Creek, and Seven Mile; and

WHEREAS, Mr. Torino explains to the Council that many of the homes are still on septic tanks and that drinking water is being contaminated and other sanitation problems exists due to the communities lack of a sewer system; and

WHEREAS, Council Member Torino suggest that the Tribal Council request the Indian Health Service review existing Memorandum of Agreement and to estimate what funding would be necessary for construction of a sewer system for the communities of East Fork, Seven Mile and Turkey Creek so that all existing homes presently on septic tanks may be hooked into a sewer system including all future housing construction; and

WHEREAS, the Tribal Council, being well aware of the sanitation and sewer problems in East Fork, Seven Mile and Turkey Creek, concurs with Mr. Torino's recommendation.

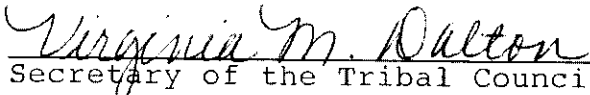

BE IT RESOLVED by the Tribal Council of the White Mountain Apache Tribe that it hereby requests the Indian Health Service to conduct an investigation and report back to the Office of the Tribal Chairman and that of Council Member Kino Torino, what funding would be necessary for construction of a sewer system for the communities of East Fork, Turkey Creek and Seven Mile so that all homes presently on septic tanks might be hooked into a sewer system; said estimates to include future new housing construction for said communities.
