

RESOLUTION OF THE
WHITE MOUNTAIN APACHE TRIBE OF THE
FORT APACHE INDIAN RESERVATION

WHEREAS, the Cibecue Community High School construction project had been requested by the Community School Board to be prioritized for FY 92; and

WHEREAS, the Tribal Council was advised that the application for construction was not selected for FY 92; and

WHEREAS, there is an overdue need for construction of a High School in Cibecue due to the tremendous student drop out problem in that community and the fact that students must commute more than 100 miles every day to attend high school; and

WHEREAS, based thereon and other facts and circumstances put forth in the construction application filed by the Cibecue Community School Board, the Tribal Council of the White Mountain Apache Tribe concludes that the Bureau of Indian Affairs should prioritize the Cibecue High School construction for FY 92.

BE IT RESOLVED by the Tribal Council of the White Mountain Apache Tribe that it hereby requests that the Superintendent of the Fort Apache Indian Agency, Agency Superintendent of Education and the Phoenix Area Office Director petition the Bureau of Indian Affairs to prioritize construction of the Cibecue High School for FY 92.
