

**RESOLUTION OF THE  
WHITE MOUNTAIN APACHE TRIBE OF THE  
FORT APACHE INDIAN RESERVATION**

**WHEREAS,** the Tribal Council of the White Mountain Apache Tribe passed Resolution No. 12-90-274 which created a tribal solid waste committee to address the problem of trash burning, open dumping and, in general, lack of adequate solid waste management facilities; and

**WHEREAS,** the solid waste committee and other efforts have been successful in dealing with the issue of solid waste and today the Tribe operates a reservation-wide residential trash collection service, manages its own landfill built to federal standards, continues to clean up old backwoods and community dumpsites and is implementing its own solid waste regulatory program; and

**WHEREAS,** a Tribal Solid Waste Board was established by Resolution No. 02-96-045 to oversee the activities of the Tribal Solid Waste Authority, now the Tribal Public Works Department, and to continue to involve tribal enterprise, department and community leaders in the tribal solid waste program; and

**WHEREAS,** the further operation of the tribal solid waste committee is no longer needed and the disbandment/discontinuation of the committee was approved by the Tribal Plan and Project Review panel at its December 1996 meeting.

**BE IT RESOLVED** by the Tribal Council of the White Mountain Apache Tribe that it approves the disbandment/discontinuation of the tribal solid waste committee as the purpose for which it was created has been served and is no longer needed.

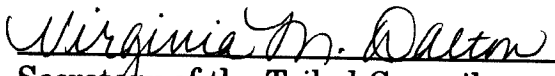

**BE IT FURTHER RESOLVED** by the Tribal Council that the Tribal Environmental Planner will notify solid waste committee members of this action.
