Ronald Burnette requested that the family fence be moved back to the original boundary line. The house and land next to the Walker resident was assigned to Ronald &amp; Cheyanne Burnette. The Burnettes feel that the Walker resident is extended unto their homesite by 12'.</p>	<p>and advise that their homesite seems to be small 88' by 186'. The original plan shows that the sub-division was all divided equal 200' X 160'. Rita &amp; family stated that the old fence was put by their late father, and will not remove the fence for it's a memory to their family. No decision was made, therefore Housing Authority's legal description stated the land was surveyed 88' X 186.80. * Later during the day Ronald stated will stay with the housing legal description, and apologizes for inconveniences.</p>
