

**RESOLUTION OF THE
WHITE MOUNTAIN APACHE TRIBE OF THE
FORT APACHE INDIAN RESERVATION**

WHEREAS, local economic growth springs from business formation and expansion at the local level and providing new and improved opportunities for small businesses to succeed and expand is a key strategy for improving the economic growth of the Fort Apache Indian Reservation; and

WHEREAS, too often these businesses do not have the resources to respond effectively to market opportunities since they may lack access to capital which might allow them to expand, or the technical expertise that would enable them to make effective business management decisions; and

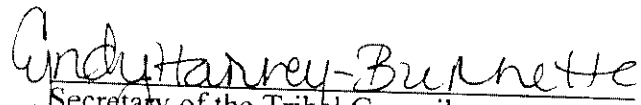

WHEREAS, the U.S. Department of Treasury, Community Development Financial Institutions Fund Program provides support to financial intermediaries, such as the White Mountain Apache Revolving Credit Program, to create a Small Business Development Loan Fund to support tribal entrepreneurship.

BE IT RESOLVED by the Tribal Council of the White Mountain Apache Tribe that it hereby authorizes the White Mountain Apache Revolving Credit Program application to the U.S. Department of Treasury up to a level of \$300,000.00 to establish a Small Business Development Loan Fund to support White Mountain Apache tribal entrepreneurship within the Fort Apache Indian Reservation.
