### PART III - Cost of Accounting for Forestry Activities

A. Narrative Describe the type and extent of anticipated costs to be incurred by the Tribe to manage, administer and account for activities funded under Part II. These costs shall be a negotiated amount as agreed to between the Bureau and the Tribe, but in no event shall they exceed the amount established through the audit for contracts and grants on the reservation.

The Tribe will be paid \$6,000 for FY 2003-2004 to reimburse them for administrative assistance provided to the Tribal Forestry program. Funds will be paid to the Tribe at a rate of \$500 per month from 001-082-7706 account. For the amount indicated, the Tribe will provide accounting, personnel and other support services needed.

#### B. Accounting Cost

\$ 6,000

### PART IV - <u>Transfer of funds from BIA to Tribal Account</u> (Tribal Fiscal Year 2002-2003 Estimated Expenditures)

\$ 411,571

Use this section to describe the mechanism for transferring funds from BIA holding account to tribal account(s). Include a description and frequency of tribal reports and frequency and method of transferring funds.

Each month the Tribe submits a voucher for expenditures, signed by the Tribal Treasurer, which is eligible for reimbursement from forest management deduction monies held in an agency IIM account. The voucher is usually received the second week of the following month. After the voucher is verified for accuracy the forest manager signs the voucher and submits it to the Agency Superintendent, who then directs the finance officer to prepare a wire transfer to the Tribal general account.

## PART V - Funds Not Transferred - Deferred for Future Use.

\$ 938,428

Briefly describe future projects and/or activities that the deferred funds are reserved for if known. Justification is not required to defer funds for future use.

Interim Form Released 4/8/99.
