We are excited to announce that a Youth Conference is being planned for April 26 2006! Our conference will focus on four emphasis of strength within our Apache youth, Spiritual, Mental, Social, and Physical. In these topics we will address the importance to each emphasis with an incorporation of "Apache Pride." Our conference will be hosted by local youth and tribal departments with an audience of Junior High and High School students in the White Mountain vicinity, along with special guest speakers to address our current issues and goals for your youth. We presently have approval from Whiteriver School District Superintendent to have students attendance for the full day with designated chaperone and transportation.

In an effort to provide educational opportunities within the four emphasis during the conference we would like to request a sponsorship for our guest speakers expenses from your department or program to help defray expenses not available to our non profit event. In return we will provide endorsements for your contributions throughout the event. Please let us know if you are able to assist, and we will gladly fill you in on particulars of our request. This letter also serves as our official invitation to all council members to attend our conference at any time. Thank you for your time and consideration.

Sincerely,

Eileen Hill
