Mr. Thompson stated that that was fine. Board approved the request.
5. Felix Riley – Came before the board on concerns for his late ^{mother's} ~~uncle's~~ Nicodemus Riley's land in Canyon Day. Mr. Riley had gotten the house through court and papers on it to show that the property and belongings of the late Mr. Riley would go to him. Other family members are now harassing him for the lot telling him that the land is a family lot. The board put this on hold for Raymus to check into and will represent at the meeting in October.

7. Rosie Gordon – Came into the board meeting on concerns of the lot in Canyon Day that Felix Riley had gotten. She believes that this lot was once their family lot, and that Mr. Riley has no business living there. She was upset because Mr. Riley is fixing up the property. The board members were shown a map of the area, and the map goes back to 1978, then the house was already built. She stated that this lot should be given back to her family. The board told her that they will have to wait off on it until Raymus and McDaniel go check into this matter. Justine told her that we would contact her through mail.

Also, concerns on the farmland in Corn Tank. Board suggested that she file this in court and find out whose names are on the lot. Board will have Raymus check into this. On Hold.
11. Kathy Skidmore and brothers and sisters – Requesting for their late father Kinny Skidmore’s farmland in Forest Dale. They stated that someone had put a lock on the gate entrance to the cornfield, and there are other fields that are there besides theirs and it also is a access for the Navopache Electric Company. They stated that as long as they can remember their Dad always planted there in Forest Dale, and now others want to use that land. Justin stated that he does remember a lot of the people that he plowed for during planting season. The board decided that the family should come back to next month meeting. On Hold.
