RE: Tribal Property missing after break-in on September 30, 2007

I am addressing the White Mountain Apache Tribal Council of the incident that had occurred during the month of September. You may have been notified of the break-in that had happened during the last weekend of September 2007. The Tribal Employment Rights Office (TERO) was vandalized and properties belonging to TERO and personal items were stolen. The insurance did cover the expense of the building itself. However the personal items that were taken from my office were not allocated for. I am requesting payment for the lost items that was taken.
