RE: Resolution No. 04-2009-102

I received a request from Tim Gatewood to revise the attached resolution. Apparently it was supposed to say 2009-2010, but the original resolution only said 2009, so they have been unable to get the booklets printed.

Please obtain signatures on the four originals attached and distribute them. Since the old attachments are still the same, keep the attachments from the old resolution and put them on the back of the revised resolution. Thanks.
